

Building Director Brant Lane

Working with

January 2016

Dear Brothers and Sisters,

Philippians 3:14 - I press toward the mark (goal) for the prize of the high calling of God in Christ Jesus. The new year has begun but the goal is the same: to give ourselves to the promoting of the gospel of Jesus Christ. There is no greater goal in the world!!!!

Press Hard? This last year the ministry pressed hard for the kingdom of God. The ministry took some 243 people to the mission field - seven building projects, from Alabama to Honduras and Vanuatu; three medical campaigns from Vanuatu to Honduras; a van picked up in Oklahoma, repaired and delivered to Poncho Villa, Mexico; the gospel was preached in both English and Spanish on Transworld Radio; evangelism teams ministered in Africa; survey trips were taken to Bonaire, Guyana and San Louis Potsi; teams assisted missionaries in their Vacation Bible Schools; Faith Promise Conferences and many revival meetings were taught and preached. As a result, there was a total of 228 professions of faith and 53 baptisms for the year of 2015 that have been reported to the ministry. I thank God for the missionaries and churches that asked us to help, and for the missionaries that work with Macedonian Missionary Service.

Why Press Harder? The work is not done. Souls hang in the balance. This year, 2016, the ministry has three medical campaigns planned; three building projects planned in the States, three foreign building projects are being planned; vans are being worked on to deliver to a missionary in Indiana, a bus being picked up from Indiana; evangelism teams and Vacation Bible School teams being set up; survey trips to Honduras, Mexico and Cuba are in process; and the radio broadcast is working on reaching into Cuba and Central and South America. Requests for the Basic Bible Correspondence Course continue to grow in number. The ministry is poised to reach even further than it ever has before. The goal is the same - to introduce people to Jesus Christ. I praise the Lord for the opportunities ahead!!!! He is so Good!!!!

Help to Press Harder? The ministry continues to need your help. It needs churches and individuals that will pray for the continued success of the ministry. The work load is great! God is greater, but He loves to work through His people. The ministry has always practiced one thing in how it operates, that is by faith, and faith alone. This year, with the commitments already made to missionaries and churches, along with the staffing needed to perform the office task, our Ministry Fund is in need of your help. The Ministry Fund makes the wheels go 'round for the ministry of Macedonian. It pays for computers, the salaries of five office staff workers, office supplies, website, commercial printers, and many other indirect costs. The Ministry Fund's shortfall right now is \$7,000.00 a month. So the ministry hopes you will pray about this need.

\$16.00 for 2016 or \$16 for '16 - If the ministry can get 437 churches or individuals to consider making a \$16 a month donation to the Ministry Fund for 2016, then the budget can be met.

Please pray about the part God may want you to have in this ministry. God Bless.

For His Honor,
Brant Lane
