February 2016

Dear Brothers and Sisters,

Joshua 3:5- Sanctify yourselves: for tomorrow the Lord will do wonders among you. Joshua had the Israelites in position to cross the Jordan River. Joshua had the Ark of the Covenant out in front of the people so they could follow it. Many miss God's wonders because they have not put the Lord in the right position, out front. Joshua could confidently say, "Tomorrow, the Lord will do wonders," because they were following the Lord. We can be just as confident if, we too, will just follow.

This month I have been catching up on some much needed office work. God continues to bless the ministry and with that comes a great need to stay up to date on many things. I thank the Lord for the office staff he has put together and their willingness to do whatever it takes to get the job done.

This month we officially kicked off our \$16 for 16 campaign for our Macedonian ministry fund. I am amazed as people have responded to the challenge. Many are using this as an opportunity to teach faith promise giving at their churches. They are breaking it down to \$4.00 a week and asking people in their congregation to pray about giving that above their tithes and offerings for the cause of world missions. This past week a church sent an email stating their youth had taken this challenge on as a project. The youth at this church were going to sell peanut brittle at the Valentines banquet and raise enough to pay their support all at once. I cannot wait to see what the Lord does at this church with its youth as they support worldwide missions.

The month has also been great for our website. Brandon Jones, a member at White Rock MBC in Center Texas, has been a tremendous blessing in this area. Please go to [www.macedonianms.org](http://www.macedonianms.org) and check it out. To God Be the Glory.

Please continue to pray for all the teams that are gone or getting ready to go. Please pray that people will be saved and that the missionary will be encouraged and helped.

Thanks to all who read this letter and pray for the ministry. God has big plans this year for Macedonian. Pray that we stay humble, healthy and spiritually strong.

For His Honor,

Brant Lane
