Greetings from the wet State of California,

Here in California, the Lord has been blessing us with rain, rain, and more rain. Praise The Lord!

January 2016 saw another team on the field. On the 3rd of January, a team of 8 from California, Oklahoma, and Tennessee left for a two week adventure in Honduras working with several of the local area churches. Our base camp was the house of Pastor Vargas, located in Tegucigalpa Honduras. He is the pastor of the Iglesia Bautista Misionera Vida Nueva. The team consisted of Ariella, Julia, Andrea, Morgan, Brent, Matthew, Cole, and myself. The team had a very busy, and very productive time while in country.

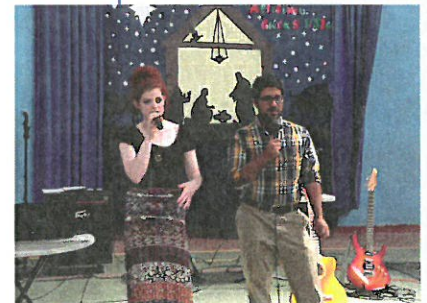

Our first stop on the schedule was the town of El Paraiso, located several hours outside of Tegucigalpa. While in El Paraiso, the team helped conduct a 2 day VBS program and attended 2 evening worship services at local area churches. The evening message were presented by Brent, Cole, and Matthew on the armor of God. They presented in a tag-team approach which worked very well in conveying God's word to the people. It was a special blessing that one of the services was held in the new church building in Danli. This is the building that the Macedonian Builders constructed less than a year ago in February 2015.

In Tegucigalpa, the team helped with a 3-day VBS program, a 2-day church camp, and spent several days working and fellowshiping with the High School age youth group. Activities included a visit to a local National Park with a "short" 14 mile hike to the Waterfall and back, a full day of indoor soccer/volleyball, and of course food and fellowship. The team had one down day for shopping and some local sightseeing. During camp we were blessed with 5 professions of faith. I wish to express my gratitude to each team member, as they did an outstanding job in working for the Lord, even though the trip did present some some very difficult circumstances.

The end of January I was honored to be one of the teachers at the annual Young Adult Retreat at Hartland Christian camp, sponsored by the Denair Church.

Hope to see you on the field...
