Working with

January 2016

Hello Brothers and Sisters,

I hope you all had a merry Christmas celebrating our Lord's birth. Erika and I spent some time with both of our mothers and some of Erika's brothers. We are thankful that both of our boys were home to spend Christmas with us. We know it may not always be the case as they grow older and start their own families so we cherish any time we do have with them.

This year has gone by so fast. It seems like we were just in Honduras on a Mac-med trip, but it was last February. I have been blessed to be a part of many of Macedonian's works this year and I am looking forward to several this year. I am currently in Mexico on a Mac-Med trip. I will be going to Africa in February and Romania in July. Erika and I are praying that she can work out going on the Romania trip as well.

I started Seminary this month. I am learning so much, I hope I can retain it all. I haven't had homework in quite a while, but I am getting used to it. I am really enjoying it.

I have had a few health issues this year, but I am feeling much better now. Thank you for all of your prayers.

I am excited to see what the Lord has in store for us in 2016. I love being a part of His work, in any way I can. The years serving Him just seem to get better and better.

Again, thank you all for your prayers and support. God bless you and Happy New Year!

Michael Ryan
