January 2016

Happy New Year!

December was a great time for the Lamb family. I was able to be home for the month and that is a real blessing. Christmas is such a busy time of year. Its important that we slow down and remember why we celebrate. Our Lord and Saviour Jesus Christ is the reason for the season. I am so grateful and humbled that the creator of everything would send His only Son to live and die for me. Amazing. Thank you, God.

I had the great privilege of speaking at Journey Baptist Mission in Calera, Alabama on December 06. Pastor Paul Armstrong and the fine people there invited myself and Brother Ben Brittain and our families. We arrived Saturday evening and went to the Christmas Parade. Journey B C had a float in the parade and we were able to help set it up and watch as the parade passed by. Each float threw candy to the crowd. It was fun to catch and give to the kids. I might have kept just a few pieces. We had a great time. Brother Ben brought us a great message in the morning service. Then we had a real belly stretcher of a meal. Then I tried to preach a little. The people there showered us with real Christmas cheer. They truly blessed our hearts.

I have also been blessed to have some work while home. I thank the Lord for giving me a chance to earn some money to pay some bills. I look forward to paying some on my travel fund which is currently about 4600.00 in the red. God has always provided whatever I have needed. This is no exception.

I was able to visit my mother and sisters and family in New Bern, NC over Christmas. Mom didn't know we were coming so she had a nice surprise. It was really good to see my sisters and nieces and nephews and all of their families. It was a nice visit.

As you know, we have been hard at work planning for the 2016 schedule. I will go to Tegucigalpa, Honduras with Ben Brittain on Jan 26-28. We will be accompanied by Brother Ricki Boyle and Robbie Fletcher. This will be a survey of a future building project. Pastor Edgardo Vargas has asked us to help with a renovation to their existing sanctuary building. I look forward to helping them plan this exciting work.

Please continue to pray for our truck and trailer fund. We are searching for a new truck (or two) to replace the worn out vehicles we have. Please consider how you could help with this need. Thanks for your prayers. 2015 was great. 2016 will be even better!
