Faith Promise Conference @
Nevills Chapel, Mt. Pleasant,
Texas

June 20th-23rd, 2016
ABA National Meeting- Tulsa,
Oklahoma

January has had a variety of projects and travel to keep us busy throughout the month. God blessed us and has kept us healthy throughout the holidays, and winter season so far. We pray the month of January has found you and your family well too.

During the month of January, I was given the opportunity to preach at our home church, Hillcrest Baptist Church during the Wednesday night services throughout the month. I am thankful to the church for allowing me that time. Also a few men at our church had started seminary classes in November and finished up our first 2 nine week courses in January with test and papers to turn in. I am happy to say we all did very well, and I have enjoyed the time in learning ways to study God's word in more depth, and look forward to starting our next session soon.

With the help of my son, Brett, and another firefighter friend of his, we took a few days to rebuild and install a wood burning stove in the shop. I had acquired the wood burning stove in Michigan from my dad's barn shop. It has an interesting history, which it was hand built in a Buick factory in Michigan several years ago. I have enjoyed using the stove to heat the shop.

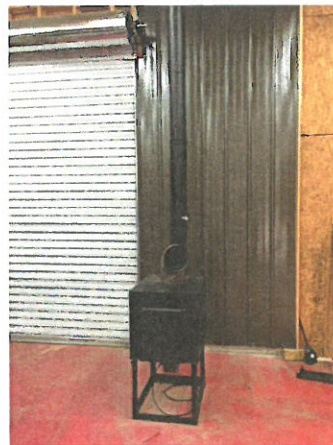

There were several missionary vehicles and church van repairs done this month also. Including exhaust repairs, engine, a/c repairs. Work has continued on the van that is being refurbished for a new home in Indiana. I have received a call from a church in Alabama that voted to donate another van to Macedonian Missionary Service to be refurbished and used in mission work. We ask for your prayers as we raise funds to repair these vans. If you or your church would like to help and be a part of this, please let us know.

I also went on a quick survey trip at the end of the month to Honduras with Paul Lamb, Ben Brittain, and Robbie Fletcher to look at future work to be done there. While visiting there, I had the opportunity to make a few repairs on the mission church van.

Thank you for your prayers.

Ricki Boyle
