

MacTrips Director Gary Weidenbach

Greetings from sunny California,

February seemed to be a very busy month, but then again I guess they all seem that way. For the last 4-5 months our church as been working on the Super Bowl outreach, it all came together the first weekend in February.

The city of San Francisco put on two Super Bowl events, Super Bowl City and Super Bowl Experience, both held within downtown San Francisco, about an hour from the stadium. San Francisco expected over a million visitors during Super Bowl week. Since security was going to be very high around the stadium we decided to hand out bibles and pins around these two events. Also the local BART public transportation system, had a stop within a block of the Super Bowl City event, as driving into the city was not really an option.

Our teams consisted of people from Arkansas, Georgia, Louisiana, Missouri, Tennessee, Texas, and California, about 60 people in all went out on Saturday. We handed out John/Romans bibles that had a special Super Bowl cover along with Super Bowl witness pins.

On Sunday, we had shortened services, then headed out again. Sunday saw about 35 people head into the city to hand out bibles and pins, as some of the California people had to head back to their local churches on Saturday night. Over the two days we were able to give out about 9,500 John/Romans bibles and almost 5000 witness pins.

Thank you to all who were able to come be a part of this event. It was really a blessing to have everyone here. The month ended with a special blessing for me. I was able to MC my aunt and uncle's 60 wedding anniversary. Both my parents, and my aunt/uncle celebrated their 60th wedding anniversaries in the month of February.

Hope to see you on the field...
Gary Weidenbach
