March 2016

Hello Brothers and Sisters.

February has been a very busy month for my family and I. Thanks to Paul Lamb and Jack Slay, we now have a basement apartment for my mother to live in. She was diagnosed with Alzheimer's a few years ago and it is getting worse. She should not be living on her own. This is a hard transition for her, she has always been very independent and she has a lot of stuff. So we have spent a lot of time packing, and convincing her she needs to narrow down what she brings to her apartment because her space has been reduced tremendously. For the most part she is moved in and enjoying her new space. It is a big relief having her close by. We can check on her anytime and make sure she is taking her medication and eating.

What an exciting year we have planned. My wife and I went to Mexico on the Mac-med trip in January. Now I am planning a Mac-trip to Woodbine, Georgia, with missionary Justin Ray, for June 11-18th of this year. We will be doing VBS and going into the local neighborhoods inviting people to come. We will also be doing some street evangelism. We had the opportunity to go there two years ago. We met some great people when going door to door inviting the community to join us. Justin told me that since Mac-builders was there, just before we were two years ago, the church has grown and they have been a positive influence on the town of Woodbine. If anyone is interested in joining the team you can contact Macedonian or myself at (404)925-4365. We will need people to teach, do crafts and snacks. There is always something for everyone to do and we would welcome the help.

As busy as the Woodbine trip will have me, I am also preparing to go to Romania in July. Erika will be going with me on this trip as well. I have been going on mission trips for many years and watched the Lord work on each and every one. To have my wife with me, doing the Lord's work together, is an incredible blessing.

As always I want to thank you all for your prayers and support.

Michael Ryan
