

Building Director Brant Lane

April 2016

Dear Brothers and Sisters,

Psalms 103:8- the Lord is merciful and gracious, slow to anger, and plenteous in mercy. I thank God for not giving me what I desire and for giving me what I don't deserve. What a wonderful Savior. He abounds in Lovingkindness.

This month our family spent many days in Star City, Arkansas. Shady Grove Baptist Church along with Pastor Mike Powell had invited the Macedonian builders to come and help them add a baptistry to their existing building. Brother Ben Brittain was the coordinator on this project and he did a tremendous job putting it all together. After two weeks the builders had completed all the exterior framing, roofing and cornice work along with installing the baptistry, all the electrical, insulation and drywall. The team was also able to reconfigure the stage so that the organ and piano were raised level with the pulpit. I thank the Lord for sending people from all over to help on this project.

In the middle of the building project some of the builders went over to Holly Springs MBC in Star City to help put metal on their roof. Pastor JC Patterson had contacted Paul Lamb and asked if we could help while we were in town. The builders were glad to help. The church also allowed me the privilege of preaching and sharing the ministry.

While all this was going on a call came in from Pastor Roy Polk at Calvary MBC in Jacksonville, Arkansas. Their church shares their facility with Alpha Omega MBC church which is a Spanish work pastored by Jesus Gabriel Gregorio. They had been given a van and it was in need of some repair. So Aubree and I left Star City on Tuesday March 22nd went to Jacksonville, Arkansas to pick up the van. It is a blessing to do mission work with my family. We then proceeded to Nancy, Kentucky to pick up the rest of the Lanes and then we headed to Georgia to drop of the van and from there we headed back to Star City, Arkansas. I thank God for the opportunity to help churches and missionaries.

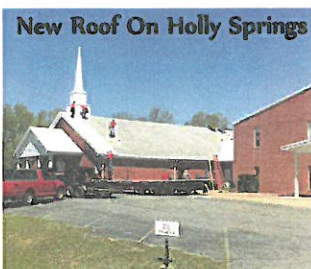

On Easter Sunday I got to preach at Shady Grove MBC and it was such a blessing. God is so good!!!! There was one that came forward for baptism. Praise the Lord, they are already needing that new baptistry!

On Wednesday 30th my family and I went to Bethlehem MBC. Pastor John Marlar had invited me to come and share the work and preach. The church looked so good. To all those that worked on the building you would be very impressed with how it looks. God truly blessed them.

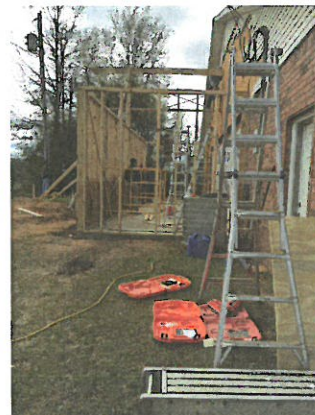

VAN PROJECTS: Please pray and consider helping in these upcoming van projects. The Macedonian Mechanics have one bus and two vans that they are currently working on. One van is going to Jack Brown in Colorado, one is going back to Jacksonville Arkansas and the bus is going to Rusty Denny in New Mexico. The vans are going to cost about 2,500 each to fix and the bus is in the process of being inspected to see what it is going to cost. If you would like to help in these projects we have funds set up for your donation. We have the Colorado van project, Arkansas van project and New Mexico bus project. You can send checks to Macedonian Missionary Service and earmark them for the appropriate project. Thanks so much. God bless

For His honor,

Brant Lane
