

Building Director Brant Lane

May 2016

Dear Brothers and Sisters,

Acts 18:23- And after he had spent some time there, he departed, and went over all the country of Galatia and Phrygia in order, strengthening all the disciples. Paul did an amazing job planting many of the Lord's churches ,but one thing sometimes overlooked, is how hard he worked strengthening the brethren. He was diligent and direct in doing this work, which shows me that I should be also.

The months seem to come and go so fast. The ministry of helping missionaries and churches seems to grow daily. This month I was invited by Pastor Jarrod Pettit and Southside MBC in Star City, Arkansas to help with their Faith Promise Missions Revival. The week went so well. It was amazing to watch as God tugged on people's heart about walking by faith in their giving. I truly appreciate pastors that challenge their people to walk by faith. **Faith Promise Giving- Lord, Lay on my heart what you would have me to give above my tithes and offerings and I promise by faith I will give it to world missions. Have you ever prayed that prayer?**

This month was also our annual Kentucky banquet in Somerset. This year we held a cookout on Thursday night at my house and then on Friday we had an awesome banquet. We truly appreciate all those who came and participated. The banquet had great singing with Mark Bishop along with a great challenge from Buddy Raney. I also want to thank those who gave for the silent auction. The gifts were amazing and the funds that were raised will be a tremendous help to so many missionaries.

The part I had at the banquet was to give an update on what the ministry as a whole had accomplished in the past year. I thought I would put it into my newsletter since these items represent what God has done through you this year.
