

# MacTrips Director Gary Weidenbach

April 2016

Greetings,

But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

After a very dry February, the Lord blessed our state with an above normal amount of rain in the month of March. Praise the Lord!

The highlight of March, for us, was the birth of our second grandson, Jackson Bryce Weidenbach. Born March 1st, 2016. 8 lbs 4 oz and 20 inches long. Parents Joshua & Courtney Weidenbach.

March was also a time to work on the Ukraine trip, figuring dates, times, flights, itinerary, etc. Last time in Ukraine we helped with the church camp and also got our hands dirty working on remodeling the in-law unit on the property getting it ready for the winter. Camp includes bible activities, games, study time, songs, out door activities, services, and swimming in the pond, and yes it is a pond, and no I personally do not swim in it. Camp in Ukraine is pretty much like camp here in the states.

This year we will be taking a couple of days after camp to see some of the local area sights. Then on the way home we plan to spend one whole day in London, before heading back to the States. We still have spots open if you care to come along and join us on this adventure.

See you on the field...
