

# MacTrips Coordinator Mike Ryan

April 2016

Hello Brothers and Sisters.

I was blessed to go preach and share my work at Creekmont in Deer Park, Texas. My good friend Danny Mendoza is the pastor there. We had a great time visiting with his family, who we only see maybe once a year. Their church family treated us so good it was like being with family. We went to one church members house so that I could share Mac-trips and what I have experienced. As a result, she will be going to Romania with us in July. In am so excited about it. Two other of their church members have also decided to go on the same trip. I love to watch the Lord work!

Skyline Missionary Baptist Church in Madison, Alabama was in need of a preacher two weeks after my Texas trip. So my pastor asked me to do the honor. I preached both the morning and evening services for them and shared my work in their evening service. Ms. Geri Howard and her family had us over for lunch. Apparently she feeds them all every Sunday after morning services. We were incredibly blessed by their company and hospitality. Ms. Geri even gave us a mini tour of the Huntsville area. We felt like part of the family.

I am finishing my second semester of seminary. It is a lot of work, but I am learning so much. We are seeing so many blessings in our lives. The Lord is so good. I am excited to share his word whenever and wherever I can. Sometimes in am so overwhelmed by what the Lord has entrusted in me. In will strive to do my best for Him.

We finally got my mother completely moved out of her house and into ours. It is very comforting having her so close. My mom has gone above and beyond for me, my entire life. I have never had a doubt that she loves me. I am grateful to have the opportunity to return her love and take care of her.

God bless you all,

Michael Ryan
