

MacTrips Coordinator Mike Ryan

May 2016

Brothers and Sisters,

I was blessed to spend some time with my Macedonian family at the annual Macedonian Missionary Service, Kentucky Banquet. It is always encouraging to see old friends and discuss our past and current trips. It is great to have their support.

The Lord has showed me so much through seminary. I have learned how to study the Bible better and that has made me more committed to studying and getting closer to Him. I am learning how to write sermons, twenty years ago, I would have never believed the Lord would call me to write a sermon or to preach the gospel. My life is an example of God doing great and mighty things. He can and will use every one of us, if we let Him. The close we grow to the Lord, the more He reveals Himself to us. He has great plans for you, let Him use you.

I am leading a team to Woodbine, Georgia, in June, to help Brother Justin Ray with their Vacation Bible School. Please pray that the community will respond and allow their children to attend.

I was invited by Pastor Danny Mendoza, to go back Texas and speak with three people in his congregation that have committed to go to Romania with Erika and I on the Mac-med trip in July of this year. This is their first mission trip, so they had a lot of questions. I did my best to answer them, and encourage them about the trip. We are all excited to get going to Romania. July can't come soon enough. Please pray that we will have a safe trip and will see souls saved.

Thank you all for your continued prayers and support.

God bless you,

Michael Ryan
