

Building Director Brant Lane

June 2016

Dear Brothers and Sisters,

Romans 12:1 "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service." The word reasonable here means it just makes sense. It makes common sense for a Christian to give himself to the Lord. Lord here is my body-use it to bring honor and glory to your kingdom.

The year is almost half over and the work at Macedonian Missionary Service is going wide open. It has been such a blessing to be home this month. Alex and Austin have enjoyed some baseball while Aubree continues to impress us with her guitar lessons, while Aaron, well he is talking a mile a minute. This month my parents were able to come up and see the boys play baseball along with just hanging out with us. It was good to see them and get to visit. God is good and knows when we need to travel and when we need to be home. I am thankful He is in control.

While at home this month I had the opportunity to help Ronnie Walker get set up with a Chief Architect program. This will allow him to draft plans for some of our future projects. Ronnie has been planning this for a year and the time has come for him to get started. Please pray for him in this new venture. This month we have also been revamping the Macedonian Call newsletter. Check out this month's addition and let us know what you think. We have also begun our plan design for the mission home Macedonian is going to build on 11 acres in Eubank, Ky. The home is going to be 1400 square feet and have a full basement with a studio in it. The plans at this point are done and the final touches are being put on it as I write.

Although the time at home has been a blessing, I am gearing up for a trip at the end of the month to Two Grey Hills in New Mexico to visit with Missionary Rusty Denny and look with him at their building project. I am excited about what God is doing in New Mexico.

Please make the three van projects a matter of prayer. The mechanics have dove into repairing them by faith. We are needing to raise \$8,000 to cover the cost for all three.

For His Honor,
Brant Lane
