Proverbs 3:27 Withhold not good from them to whom it is due, when it is in the power of thine hand to do it. I consider this a life verse, worthy to live by...I think I will leave it on all my newsletters from now on.

As we near the end of May I am once again reminded how time passes by so quickly. Make each day count...you'll never get it back!

We started the month of May with the end of a great revival service at Hillcrest Baptist in Acworth, Georgia, my home church. Brother Joe Morrell preached a great revival. Then we celebrated Mother's Day and I was off to Kansas City to meet with the good folks at Northern Heights MBC. Travis Holmes is the pastor and this is the sponsoring church of the Mission in San Luis Potosi, Mexico, where the Builders will be going in October.

Following that I was home for 2 days and off again. First stop was in Woodbine, Georgia to see Pastor Justin Ray and look at a foundation issue on the front porch of the church. The second stop was at Fouraker Rd. MBC in Jacksonville, Florida for Wednesday evening service with Pastor Ody Witt and to measure the building for a new metal roof.

I, then traveled on to Pensacola to see Brother H H Strickland at the West Florida Bible Institute. The school is in need of much repair. I was blessed to report to the 83rd annual meeting of the West Florida Association of Missionary Baptist Churches.

Then on to Grand Bay, Alabama at The Baptist Chapel. Pastor Steve Merritt asked me to look at a renovation of one of their buildings. I feel confident this will be a job early next year. I want to thank Pastor David Gonella and Magnolia Springs MBC for allowing me to stay there. Then I went to Bogalusa, Louisiana and enjoyed a fun Sunday evening graduation service at Emmanuel MBC. Pastor Pete Underwood and the folks there are great friends. After measuring and confirming some questions about Septembers building project there, I moved on to Pleasant Grove MBC in Milton, Florida. Thanks to Pastor Gordon Dillashaw for allowing me to give a report and for allowing me to stay at the camp in Foley, Alabama while I was in town.

This year is full of projects and next year is shaping up to be busy as well. Please be in prayer for these churches and missions as they prepare for the upcoming work. There is much to do and many miles to travel. Pray that all those who travel will be kept safe and that the financial needs of each missionary will be met. As we look forward to the National Meeting of the ABA, we are reminded that missionaries worldwide depend on us all to promote the cause of Christ, provide for their needs, and pray for the salvation of the lost.

In His Service,

Paul T. Lamb
