Isaiah 41:10 Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness. This verse filled with the promises of God brings me great comfort throughout the day and during times of struggles.

May has kept us busy in many ways: the weekend of May 21st-22nd my wife Lesa and I were able to head to New Life Missionary Baptist Church in Brownstown, Indiana. After several weeks and many hours involved in refurbishing a 1998 Ford E350, 15 passenger van, we had the pleasure of delivering the van to this mission where Brother Mike Weiler is the pastor. There are extremely excited about having the van to use in the work being done there. Thank you to all of the churches and individuals that had a part in getting this van ready and repaired.

We are in the process of repairing three other vehicles that will be delivered to different missionaries to be used in their ministries. Two of the vehicles are at the shop in Acworth, Georgia, while one, a 20 passenger bus is in Somerset, Kentucky being worked on by Brother Terry Molden. Brother Terry has pulled the motor and is ordering parts to be able to repair several mechanical systems on the bus.

We have the need to purchase some more equipment for the mechanics ministry to help out with all of the needed repairs/refurbishes on the vans that are graciously donated to help missionaries with spreading the Word of God in their areas.

We are in the process of trying to set up a shop in Somerset Kentucky area that will help us do work on vehicles in that area as well. Please pray with us that we will be able to raise the necessary funds to purchase tools and equipment that will allow the repairs to be made.

Our family would appreciate your prayers. My mother is recovering from carotid artery surgery and knee replacement surgery. My father is having open heart surgery in a few days in Michigan. My wife's dad will be undergoing neck and back surgery in the next few weeks. Please lift us up in your prayers during this time, and as I travel back and forth to Michigan in the following weeks.

Thank you for your support and prayers.
